First Games of the Bowling League
Championship Season.

THE WHEELMEN AND CALUMET

Teams Play Two Games, Each Scoring a Victory—A Number of People Witnessed the Games—Some of the High Individual Scores Made in the Two Games—The League Season Starts Auspiciously.

Last evening at the Wheeling Park alleys the championship season of the Wheeling Bowling League was opened up auspiciously between the teams of the Calumet Club and the Wheeling Athletic Wheelmen. Both teams went out on the 7 o'clock motor, and the first or practice game was started at 7:40 o'clock. It resulted in a victory for the Calumet team by the score of 983 to 960, neither team trying very hard to win. About fifty persons, representing almost every other team in the league, were present when the first championship game began. In this game both teams improved in their rolling, the Calumets particularly so. Their total score was 1,200, an average of 200 per man. The highest score of the evening was made in this game, 259 by E. Lang. The best score by a W. A. W. man was Stevenson's, who made 248 in the same game.

Following is the tabulated score of the first game:

CALUMET.				W. A. W.			
at sp	bk	ser		at sp	bk	ser	
Maris	4	3	129	Stroebel	3	0	8
E. Lang	0	1	230	McCoy	6	0	4
Truschel	5	3	161	Stevenson	7	2	1
Cameron	4	3	156	Williamson	4	3	163
M. Lang	7	2	128	Wells	5	2	3
Heimer	5	2	175	Geiger	8	7	101
Totals	35	13	1120	Totals	27	7	563

In the last game the wheelmen retrieved themselves in great style, and notwithstanding the somewhat indifferent work of two of their men made a good showing, winning handsily. Four of their team, McCoy, Stevenson, Williamson and Wells, each made 7 strikes and 2 spares, remarkably good rolling. The score was as follows:

W. A. W.				CALUMET.			
at sp	bk	ser		at sp	bk	ser	
Stroebel	4	3	133	Maris	5	1	4
McCoy	7	2	129	E. Lang	6	3	1
Stevenson	7	2	129	Truschel	3	3	4
Williamson	7	2	128	Cameron	7	2	1
Wells	7	1	122	M. Lang	5	2	161
Geiger	1	1	96	Heimer	6	1	130
Totals	33	12	1516	Totals	32	13	1101

The showing made by the W. A. W. team in the second game surprised even their admirers and the team cannot now be classed as a weak one. Indeed, with practice it may develop into a "four time winner."

After the championship games minor games were played and a "regular good time" was enjoyed. The interest taken in the first game is greater than was even expected and the success of the league is now assured.

The next game takes place to-morrow evening at the Wheeling Park alleys between the Wheeling Bowling Club and The Bowlers, two crack organizations, between whom an intense rivalry exists. The membership of The Bowlers is as follows: Sam B. Harrison, Ambrose List, Sam Hazlett, Frank Berry, Walter Bloomfield and Walker Frisell.

On Thursday night the Columbia and South Side teams contest at Seibert's.

Mogullians Jollify.

The Mogullians met at their hall last evening and elected the following officers: Past Master Mogul, George Ford; Master Mogul, R. L. Frazier; Senior Mogul, H. A. Jones; Junior Mogul, Richard Robertson; Worthy Sage, Isaac Shields; Quilldriver, F. H. Thiers; Cash Grabber, Thomas W. Cameron; Inside Watchman, Joseph McCansland; Outside Watchman, Charles Connor. After the election the sixty or more Mogullians repaired to Van Keuren's, where an elegant spread formed the basis of an hour's enjoyment of the inimitable Mogullian variety. Richard Robertson was master of ceremonies, and a number of gentlemen including the newly elected officers were called on for speeches. Mr. Fred Weisgerber recited.

Silver Wedding Celebrated.
Mr. and Mrs. Charles Prager celebrated their silver wedding in fine style last night at their home east of the city. A number of friends enjoyed the occasion hugely, and the host and hostess received many fine presents, and were showered with congratulations. The refreshments were an especially pleasing feature of the evening.

The River Interests.

The river at this port last night was at the 20 foot 10 inches mark and slowly falling. The prediction made that it would go to 25 feet here seems to have had no foundation whatever. Fifteen or twenty boats of the Pittsburgh coal fleet bound for Cincinnati and Louisville passed here yesterday. No accident had been reported last night.

DEDICATED TO MUSIC.

The Formal Opening of a Beautiful and Artistic Business House.

Yesterday was the formal opening of the remodeled music house of F. W. Baumer & Co. All day and until late in the evening the friends of this favorite firm dropped in to see the wonderful change which money and art had made in the old house. The richness of solid mahogany relieved by delicate tints of green touched off with gold was remarked by everybody.

The first floor is devoted to sheet music, books and small instruments in rich cases. Pianos are on the second floor, organs on the third. In the rear of the first floor salesroom is Mr. Baumer's private office, an attractive spot in pine of natural finish. This music house would do credit to any city.

In the afternoon there was a song recital by Mrs. Williams, Miss Updegraff and Mr. Zulauf. Mr. Spell played two obligatos for Mrs. Williams. In the evening a large audience listened to the Aral Mandolin Club and Mr. Will Day. To-morrow afternoon Mr. and Mrs. Martin and Miss Fennell will give the recital which was to have been given this afternoon.

One thousand boxes of our most excellent Candies and Chocolates packed and ready for shipment or delivery.

A new man can be made, out of one that's "used-up," bilious and dyspeptic. It's done by Dr. Pierce's Golden Medical Discovery. It starts the torpid liver into healthful action, purifies and enriches the blood, cleanses, repairs, and strengthens the system, and restores health and vigor. As an appetizing, restorative tonic, it sets at work all the processes of digestion and nutrition, and builds up flesh and strength. It's the only Blood and Liver Remedy that's guaranteed, in every case, to benefit or cure. If it doesn't do all that's claimed for it, the money is promptly refunded. But it keeps its promise—that's the reason it can be sold in this way.

You only pay for the good you get.
"Discovery" strengthens Weak Lungs, and cures Spitting of Blood, Shortness of Breath, Bronchitis, Severe Coughs, and kindred affections. Don't be fooled into taking something else, said to be "just as good," that the dealer may make a larger profit. There's nothing at all like the "Discovery."
